ARTISTS IN PARKS

The South Carolina State Park Service is pleased to announce the 2018 season of its Artist-In-Residence program.

The Artist-In-Residence program provides artists with the opportunity to gain inspiration from the natural and cultural resources of South Carolina State Parks.

The South Carolina State Park Service will provide the use of a cabin to selected participants for a one-week period.

Amenities include a kitchen, bathroom, basic cooking equipment, electricity, water and all linens. Cabins sleep up to four people, and no pets are allowed inside. Transportation to and from the selected park will be the responsibility of the selected artist. The artist should bring all personal gear, food and art supplies.

In return, the participating artists will donate an original work representative of their stay at their selected park within 90 days of their residency. The original work will be displayed in the cabins and other facilities throughout the park. The finished artwork should reflect a part of the artist's residing park for present and future generations.

Collaborative proposals will be considered. This program is open to South Carolina and non-South Carolina residents.

SELECTION PROCESS

A jury will consist of state park representatives. The selected artists will be assigned a South Carolina state park with overnight cabin facilities. Their residency date will be determined by the availability of the cabins for their assigned park. Artists will be responsible for contacting their assigned park for their cabin reservation.

The Artist-In-Residence program is open to many art forms, but those that manipulate or disturb the park's resources or utilize materials from endangered or threatened species will be excluded. Collecting materials from state park property is not permitted.

Selections are made without regard to race, religion, marital status, sex, age or national origin.

APPLICATION PROCEDURE

Applications must be postmarked by November 31, 2017. All artists' work must be original. SCPRT employees are not eligible to apply.

Please include the following with your application:
